

## HOUSE IN THE WOODS MISSION

To create a therapeutic, recreational and educational retreat for our nation's armed forces and their families, using outdoor wilderness activities to help participants share common challenges related to their service and sacrifice in protecting our nation's freedom and democratic ideals.

**PROGRAMS:** HITW is a 501(c)3 non-profit offering FREE outdoor retreats with activities including hunting, fishing and recreational activities.

Welcome to attend are: Active-duty, Veterans, and Gold Star families from all eras, all branches, from all states, both disabled and not.

Your support provides recreational activities and accommodations at **NO COST** to veterans and their families.
